Re: Safety Light Corporation Site
Bloomsburg, Pennsylvania

Dear Mr. Steinmetz:

I represent The City College of New York, a constituent college of The City University of New York, with respect to the above-captioned site and your request for documents relating thereto. I write to request an extension of time to comply with the request.

As I'm sure you recognize, the document request is extensive and detailed. In the case of City College, answering it will require canvassing a number of departments and individuals throughout the College, not to mention reviewing records that are located in various venues, some of which are sure to be old and may even be in archives. Also, this is the end of the summer season and many personnel have been/are on vacation.

For these reasons, it is not possible for us to comply with the request on the original due date (August 26). Accordingly, I write to request an extension of time for CUNY to respond until September 30, 2005. I trust you will appreciate the difficulties involved in our responding thoroughly and accurately and will find this short adjournment acceptable. Thank you for your consideration and cooperation.

Yours very truly,

Jo-Anne Weissbart
